PRAGYANSHU RATHORE

FULL- STACK SOFTWARE DEVELOPER

RESUME SUMMARY

At PrernaGati & Technology, I honed my web development skills, leveraging HTML5, CSS3, JavaScript, and React to enhance website performance significantly. My proficiency in Node.js and SQL/MongoDB, coupled with a knack for developing scalable applications, led to improved efficiency and maintainability. Adept at front-end programming and possessing a keen eye for optimization, I consistently deliver projects that exceed expectations.

PROFESSIONAL EXPERIENCE

PrernaGati & Technology- Mohali, Punjab
Full-Stack Developer Intern   Jan. 2024–July 2024

- Developed and maintained web applications using HTML, CSS, JavaScript, and React.
- Designed webpages in accordance with company's products and services.
- Used NodeJS and SQL/No-SQL to develop and manage databases.
- Increased website performance by optimizing front-end and back- end code for faster loading times.
- Developed scalable applications using modern JavaScript frameworks, resulting in increased efficiency and maintainability.
